Description

The **BONT Prostar FX1 Wheel Tracer Plate Roller Skate**, a skate designed for you. A skate designed to be light, responsive and heat moldable. The thermoplastic in the heel allows you to mold your boot with a hairdryer to obtain a custom fit in under 10 minutes. This is especially good for skaters with skinny or wide ankles. The boot is made with microfiber and features replaceable rubber bumper toe protection, an adjustable velcro top strap and rear heel loop to put your laces through.

NOTE: This skate is intended for ENTRY LEVEL and LOW WEIGHT skaters (120lbs & less). Please choose the Prostar with aluminum Tracer plate if you considering this for Roller Derby or are a heavier weight.

BONT Prostar Skate Features:
• Fiberglass
• Outer skin: Microfiber
• Liner: Microfiber
• Boot height: High
• Heel rise: 6mm
• Innersole: EVA with fabric
• Heat moldable: Fully heat moldable base utilizing epoxy thermoset resin
• Padding: Memory foam
• Size options: 1 - 12.5
• Fit options: Standard
• Vegan: Yes
• Uppers: Select Black Microfiber comes with FX1 92A indoor Wheels and 8mm micro bearings OR Select Black Suede comes with Glide 78A Outdoor Wheels and standard 8mm bearings

The **BONT Tracer plate** is the perfect plate for any skater. The chassis is crafted from extruded 6061 aircraft aluminum with one-piece cast trucks to make this plate strong and affordable. The 20-degree kingpin angle is great for making tight turns as well as top-end speed and stability.The package will come with FX1 wheels made with premium high rebounding urethane, rounds out the super-light Prostar package.

BONT Tracer Plate Features:
• Action: 20-degree truck angle
• Base material: 6061 Aircraft Aluminium
• Cushion hardness: 88A standard urethane cushions
• Kingpin: Steel
• Kingpin Locknut: 9/16" socket for adjusting
• Trucks: One-Piece Cast Truck
• Axles: 8mm
• Toe stop: Adjustable allen screw
