Description

BONT Stitched Suede and Leather Roller Skate Toe Guards Protectors!
This is a set of leather toe guards designed to protect the toe area of your Bont Quad Skates. Rubbing and dragging of the toe area on hard surfaces may result in the boot materials wearing out sooner than desired. These toe guards are extremely durable made from 100% Australian Leather and are designed to extend the life of your skates. Will fit most brands of roller skate with removable toe stops that have the 5/8" post. Comes as a pair of stitched toe guards with a 5/8" post hole cutout. They can fit 5/16" bullseye type stoppers too! Availability as per the pull-down menu.
