Description

NEW! 187 Killer Pads Pro Wrist Guards
There are veteran skaters who have spent decades carving bowls and launching airs – and they have the battle scars to prove it. Our founder Vinton Pacetti is one of those skaters, and he worked closely with his crew of legends to pack everything they've learned into the ultimate wrist guard – to help you push your limits from your first session until your old age with your wrists intact. The Pro Wrist Guard is the ultimate, unrivaled protection for skaters who demand the absolute highest level of wrist protection.

FEATURES:
- *"Spoon" splint disperses force across a broader area*
- *Unrestricted finger motion allows normal hand action*
- *Double wrist straps for extra support and flexibility*
- *Padded interior provides increased comfort*

Sizing:
To ensure a perfect wrist guard fit, measure hand circumference at the knuckles and match to the sizes listed below:

X-Small: 6 - 7in
Small: 7 - 8in
Medium: 8 - 9in
Large: 9 - 10in
X-Large: 10 - 11in

PRO TIP: *If your measurements are in-between the sizes shown or you're simply in doubt, we strongly recommend sizing up to the larger size. We have found over the years that customers do better when they choose the larger size.*
