Description

The Jackson VISTA Viper Outdoor Roller Skate with ATOM Pulse Lite Wheels!
The NEW Jackson VISTA Viper Outdoor Roller Skate from ATOM Skates, brings your Outdoor Roller Skating experience to a whole new level! A Beginner to Intermediate level roller skate in a traditional retro hightop with high heel, available in three great suede finish colours! Comes with all quality components from one of the best names in the skating world! The Jackson VISTA skate boots extend from the famous Jackson Ultima company, a leading Canadian company that provides amateur to top pro level figure skating ice boots, now extending their knowledge and expertise to the Roller world! The Jackson philosophy has always been to engage elite skaters in product development to ensure its boots deliver world class performance! The premium ATOM Pulse Lite wheels in 78A durometer provide excellent grip and roll with a very comfortable ride outside *(the smoother the surface the better)!* A fantastic beginner quad skate for anyone trying to learn rollerskating, or someone just

coming back to the sport, without the big pricetag! Fits more feet too with a wider toe box than some of the older traditional hightops that were very narrow at the toes. *AND Don't forget to order your safety equipment too!*

The Jackson VISTA Boot Features:
• Suede MicroFiber VEGAN upper
• Anti-bacterial Nylex lining.
• Leather board reinforcement for strength, feel, comfort and security.
• Memory foam ankle padding for comfort and feel
• Flex notch for greater ankle flex.
• A rolled collar that eliminates irritation from Achilles' tendons
• Foam-backed vinyl and mesh comfort tongue
• Stylized traditional PVC soles
