Description

The All NEW Bont Premium Skate Backpack!
Durable, Water-Resistant Roller skate, Inline, and Ice Skate Bag with Dedicated Compartments for Gear and Equipment! Unleash your skating potential with the Bont Premium Skate Backpack – the ultimate companion for roller derby, inline, and travelling roller and ice skaters who demand the best in performance, protection, and organization.

Built to Last
Crafted with the same meticulous attention to detail as our renowned skates, this backpack is built to endure. The heavy-duty, water-resistant exterior shields your gear from the elements, while reinforced stitching and durable zippers ensure longevity.

Skate-Specific Design
Never worry about your skates getting damaged in transit. The dedicated skate compartments feature adjustable straps to securely hold roller, inline, hockey skates or ice skates of various sizes. The padded interior protects your blades and boots, keeping them pristine.

Optimized Storage
We understand that skaters carry a lot of gear. That's why we've designed this backpack with multiple compartments and pockets to accommodate everything you need. The main compartment easily fits a helmet and pads, while additional pockets keep your clothing, water bottle, tools, and personal items organized and within reach.

Comfort on the Go
Whether commuting to the skatepark, derby practice or embarking on a skating adventure, comfort is key. The padded back panel and shoulder straps, along with the adjustable chest strap, distribute weight evenly and reduce strain on your back and shoulders. You'll barely notice you're carrying a full load.

Choose Bont, Choose Excellence
Bont has been a trusted name in the skating world for decades. Their commitment to quality and performance is reflected in every product under the BONT brand, including this premium skate backpack. Invest in the best and experience the difference a well-designed backpack can make in your skating life.
