> These boots are an absolute DREAM! I stumbled upon them by accident and ordered them on a whim, and am falling in love with them with every stride. I feel like they are a cross between Riedell's 126s and high end Blue Streaks, but still uniquely their own expression. I have narrow feet, but the soft yet durable leather snugs up like a hug. The craftsmanship that went into making these boots is immediately evident. The tongue is stamped with gold writing which reads, Hand Made in Canada . It may sound cheesy, but I feel truly honoured to wears these skates. 5 stars.
