Description

EDEA Wave Boots!
The Edea Wave Boots are especially designed in every aspect for the beginning skater. The Wave Boots have a shell and padding meant to work with the skater for developing the proper foot position with stability and control. And because it's an entry into the Edea line of boots, the Wave still brings their well-known Italian style and fashion to the rink.

DEPENDABILITY
• From the first session on the rink to start your skating journey you will understand the Edea difference.

EXPERIENCE THE COMFORT
• The inclusion of high-density memory foam in a beginner's boot is the next-level comfort from the start.

READY WHEN YOU ARE
• The distinctive abrasive resistant lining is a breathable and water-resistant material for drier boots and improved hygiene.

EXPAND YOUR SKILLS
• Wraps the feet in comfort while perfectly positioning them as a skater trains to develop the proper techniques.

THE IDEAL SET
• Mount with the Roll-Line Variant M for the perfect entry level package!
