Jackson Barefoot Booties!
From the ‘Owners of Fit’, introducing the Barefoot Bootie by Jackson Ultima! Always pushing innovation, the Barefoot Bootie is designed to prevent irritation & injury and increase comfort, eliminating the possibility of needing to use a generic gel sock. With the added benefit of incorporating anti-microbial materials and being machine-washable, you will be using your Barefoot Bootie for sessions to come! The nature of the compression materials mean that the Barefoot Bootie is supposed to fit tight. It may feel difficult to put on and remove, but this is intended to eliminate the possibility of movement, which will cause irritation. Comes as a pair of 2 booties, choose either Black or Tan is sizes XS, SM, MED, LG or XL.
