Description

NEW! Midnight Roller Skate Wheels!
Fast, responsive, and built to flow.

The Bont Midnight is a premium indoor wheel designed for rhythm, jam, dance, and flow skating. Featuring a high-rebound 101A urethane and precision 6061 aluminum hub, Midnight delivers the speed, control, and edge response needed for clean footwork, smooth transitions, and effortless style on the rink floor. Whether you're working on intricate dance moves, flowing through a rhythm set, or simply enjoying a late-night session, Midnight is built to keep up with every movement.

WHY YOU'LL LOVE MIDNIGHT:
Fast Rolling Performance.
The 101A urethane compound delivers excellent speed and reduced rolling resistance on smooth indoor surfaces, helping you maintain momentum with less effort.

Precision Footwork.
A compact 59mm x 30mm profile provides the perfect balance of agility, control, and stability for transitions, spins, shuffles, and technical skating.

High Rebound Urethane.
Developed using Bont's proven urethane technology, Midnight offers a lively, responsive feel with excellent energy return and a smooth roll.

Aircraft Grade Aluminum Hub.
The precision-machined 6061 aluminum hub increases stiffness and responsiveness, creating a direct connection between your movements and the floor.

Built for Indoor Skating.
Optimized for coated wood floors, sport courts, and polished indoor surfaces where rhythm, dance, and flow skating thrive.
