Description

We found a few of these brand NEW Old Stock True Roller Skating Classics, the famous Labeda Hard Candy plate! Same mold, design and geometry of its more expensive cousin, the ultimate skaters's Speed and Jam plate – the Labeda Pro-Line (and interchangeable with the Proline's trucks too!) One of the most loved, and skated, products that came out of the 90's 'golden era' of Quality U.S.A made roller skating products – by and large, long since gone. Hard Candy has all the great features of a perfect Jam, Speed or Derby rollerskate plate; lightweight yet tough and strong, 5 degree action, brass pivot with metal pivot pin for perfect feel and response. Set of two plates complete with trucks as shown. Will come with either white or black cushions - or combo of each - based on availability. *Get 'em NOW while supplies last!* plates.
