Description

The Super Deluxe offers outstanding stability because most of the skating action is on the cushion system. Standard 10 degree double action is one of the most stable plates on the market today. The Snyder Super Deluxe is the skate that is known as the standard of the skilled skater. The plate is made from forged aircraft aluminum, with forged aluminum trucks and hangers for superior strength and light weight, and 7mm steel axles and connecting parts. Rubber cushions give enhanced feel and feedback, and adjustable pivot pins offer complete control. Includes adjustable rubber toe stops. Every Snyder skate is 100% made in the USA. Fits boot sizes 4-15.

NOTE: Please email before ordering to see what available stock is. If they have to be made it may take months to complete the order
