Description

The CRAZY SK8 is the latest skate offering from Crazy Skates, offering a supremely comfortable boot with high top styling. Crafted with Crazy's world famous size adjustment system to give you the perfect option for any growing skater!

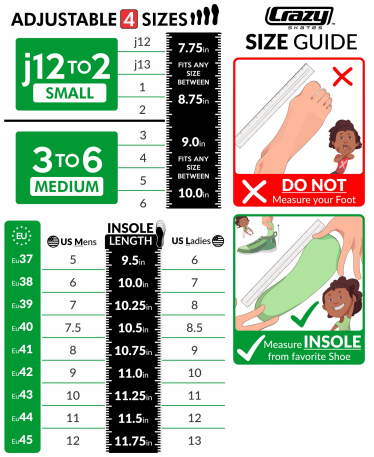

SIZE ADJUSTABLE
The elegant and lightweight size adjustment system gives you 4 sizes of growing room, so you can invest in a quality Crazy Skate and know that it will last through your next growth spurt. The sizing adjustment system is internal and invisible, centred around making sure the foot is always secure within the skate and full control of the movement of the skate is kept at all times. The SK8 is also available in adjustable adult sizing for teens and adults too! Three adjustable size ranges to choose from: Small adjusts to Junior 12 - 2, MED adjusts to 3-6, LG adjusts to 6-9.

HIGH TOP STYLE
Comfortable and Stylish boots are the most essential part of feeling and looking your best when skating. Stepping into the fresh modern style of the SK8, gives you that confidence to skate up a storm.

QUALITY COMPONENTS
The composite frame with a steel axles provide a lightweight, stable skate that is tough and built to last. It also features replaceable wheels and toe stops so you can customise or upgrade your performance as your skating progresses.

CREATE MEMORIES
A happy skating experience is a memory that lasts a lifetime. If you fall for cheap, inferior skates that look appealing online, you risk buying ones that have slippery plastic wheels and boots that fall apart easily. However, when you invest in Crazy Skates, you choose a brand that refuses to cut corners. The Crazy Skates name is your guarantee of the BEST skating experience - and customer service you can depend on 100%
