Description

Experience the ultimate in skate wheel illumination with illumin8 wheels!
Set of 8 quality made urethane 90A Durometer wheels with good grip good for indoor or outdoor Roller Skating surfaces. Coloured lights light up when the wheels spin - no batteries or other power source is required - they work by the spinning action of the wheels alone! They come pre-installed with Abec 7 8mm bearings! These wheels use super bright and efficient LED technology that converts energy from the spinning wheel to generate the power to light up your wheels. The faster you go, the brighter your wheels become, creating an eye-catching display that will turn heads wherever you skate. Available in seven awesome semi-transparent colors, including some with glitter, there will be a color to suit everyone's style. Not only do these wheels look amazing, but they also provide a smooth and comfortable ride. Whether you're a beginner or a seasoned pro, illumin8 wheels will add a touch of fun and excitement to your skating experience! come as s et of 8 wheels including pre-installed ABEC 7 beaeings.
