Description

NEW! The StreetSkater™ GT-50 Edition! *Serious transportation for your feet.*™ The StreetSkater™ combines the best of the Quad skating world and the Inline skating world to create a unique hybrid skating experience that actually supercedes both for outdoor skating! On the Quad side – Stability; ankle-saving Comfort; Adult Usability – most adult skaters have some experience with Quad RollerSkating and will transition easier to the StreetSkater™ vs. traditional inline skates. On the Inline side – nothing beats higher diameter High Rebound Wheels for outdoor rolling on smooth paved trails to streets or concrete – even over small debris, and less than ideal conditions! StreetSkater™ utilizes unique Penny skateboard skate trucks that will accommodate 90mm to 110mm diameter inline wheels!

The boot is a comfortable Rock GT-50 made by Sure-Grip – perfect for new or returning skaters, featuring a synthetic black leather boot, with a wider fit and well padded - fits every foot! Outfitted with dependable Sure-Grip ROCK nylon plates (OR upgrade to Sure-Grip Aluminum) with Oversized grey cream 5/8" adjustable toe stops. Available in Men's sizes 4-15. Men choose your usual shoe size (Are you a 1/2 size ? Move up to next full size up) Ladies sizes go down 1 to 1.5 sizes (ie. M7 = L8 - 8.5).

The StreetSkater™ GT-50 comes outfitted with your choice of colour and size of ATOM Matrix 86A outdoor wheels with ATOM ABEC 7 OR BONES Mini Logo bearings, OR upgrade to several other bearing options. Choose 90mm wheels for best stabililty for beginners OR move up to 100mm OR 110mm for Maximum performance and Best Roll for experienced skaters! ***AND... Don't forget your protective gear!***

• • ***For Mens 12-14 you can choose the Competitor Aluminum plate upgrade for $150!***

• ***Always use caution when skating outdoors – and Always use Safety equipment and follow your local municipal bylaws!***

• *Ask about Other StreetSkater™ set-ups, or other UPGRADE & SUBSTITUTION Options; Boots, Plates, Wheels and Bearings.*
