Description

The QUBE bearing press is a high quality, heavy duty well-made combination Bearing Press and Bearing puller, 100% designed and built in the USA in the Sure-Grip factory! Use it for Roller Skate Wheels, Inline Skate Wheels or Skateboard Wheels. Will work with up to 100mm inline wheels! It is designed as a bench mount press, so you should mount it to your skate bench, work table or sturdy block of wood, before using. The QUBE bearing press and puller accomodates **both 7mm and 8mm bearings** and is a Rollerskatin.ca favourite – ***This is the one we use daily in our shop!***
