Description

Roll-Line EVO Professional Skate Plates!

Suitable for: Advanced Freestyle, Jam, and Rhythm skaters!

The Roll-Line EVO Frame is designed for the high-level athlete who expects the greatest performance from their Freestyle skates. Well-executed triple-rotation jumps and beautiful advanced spins are more than just a possibility with the Evo Plates- they are a reality! The Roll-Line Evo is the choice of the dedicated competitor for exemplary jumps and spins. The king pins of the Evo increase agility on edges and optimal centering on spins. The lowered trim increases stability on the landing of jumps and maneuverability while pressing edges. The Roll-Line EVO Plate is designed for the high-level athlete who expects the greatest performance from their Freestyle skates. Well-executed triple-rotation jumps, and beautiful advanced spins are more than just a possibility with the Evo Plates- they are a reality! The differentiation between the left and right plates facilitates the toe-assisted jumps.

• Note: Smallest diameter wheel that will fit this plate is 53mm.
• 7mm bearing spacers and mounting hardware are not included.
• Specialized Low Profile Roll-Line 7mm axle trucks, and cushions appropriate for the plate size are included.
• Cushions or Toe Stops installed on plates may vary from picture. If you need confirmation of type or hardness, please email to: CustomerService@RollerSkatin.ca
