Description

RollerBones NITRO wheels! A 59mm younger sibling to the BONES Turbo - Best wheel on the planet!
Offering great maneuverability, acceleration, and high end speed. Perfect for any discipline. RollerBones Premium speed/ derby wheel with an extruded aluminum hub. Superior roll and speed! Legendary Rollerbones Urethane compounds made famous in the artistic line of wheels. A set of 8 59mm x 38mm wheels.

Featuring:
• Air Craft grade extruded/ machined hub
• Oversized shape and low profile tire provides a superior feel and maximizes your roll
• The tire is chemically bonded to the core to prevent any delimitation or shifting of the tire giving you a more responsive and reliable wheel.
• The tire is made from a proprietary formulation that is developed IN HOUSE at the RollerBones factory in Santa Barbara, CA. USA
• The high rebound, abrasion resistant urethane makes for the fastest and longest lasting wheel.

Available in:
White - 92A, 94A, 97A and 101A
