Description

The Gen 4.5 S1 Pro Knee Pad is thoughtfully designed with comfort, durability, stability and function and maximum shock absorption in mind!
NOTE: **** This version IS NOT replacing the GEN 4, it's another option.

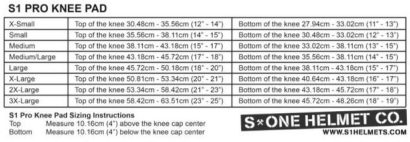

The Gen 4.5 Pro Knee pad is exactly the same in design, function and size as the Gen 4 knee pad with the only change being the new thicker inner knee cup for maximum shock dispersion. For comparison, the Gen 4 inner foam is 32mm thick while the Gen 4.5 inner foam is 40mm thick. Gen 4.5 is streamlined and lightweight like the Gen 4 but Gen 4.5 offers more from padding.

S1 PRO KNEE PAD Gen 4.5 SPECS:

• Thick Impact Absorbing Inner Knee Cup (40mm) for Maximum Impact Dispersion and Stability.
• Military Grade Ballistic Nylon Outer Shell for Durability
• Triple Stitch Construction at Seams for Extra Strength
• Articulated Butterfly Back Flaps for Secure Fit to Prevent Slipping and Increased Mobility
• High Abrasion Replaceable PC Knee Cap with Ultra Flat Surface for Stability.
• Perfect Length Locking Adjustment Top Straps

Gen 4 Sizing GUIDELINES:

Top of Knee: *Measure 4" above knee cap center*
Bottom of Knee: *Measure 4" below knee cap center*
