Description

Built for young skaters and built to last!
The excellent protection and comfort of a long-standing favorite in Derby, Scabs Knee Pads - NOW Available for Juniors! Built for extreme sports and preferred by Derby Pros, these knee pads are perfect for junior derby or outdoor skating. Smith Scabs Junior Knee Pads are designed to provide great protection while also being easy to put on and remove. Built for specifically for young skaters and built to last! Available in white or black knee cap colours.

FEATURING:

• Shrunken version of adult sized knee. Great length and width so it doesn't move and fits snug on their lil knees.
• Removable foam - This gives you the option to be able to wash those stinky lil pads!
• Triple Foam cushion provides great protection and comfort
• Quick Release butterfly straps are quick to put on and remove - No more taking the skates off to get pads on and off
• Double strap - Top and bottom straps to help secure the elbow pad so their is no movement or slippage. Used with higher grade elastic straps to help hold into place.
• Made with the top quality Abrasion resistant material to provide the best protection on the market.
• Replaceable knee caps allow easy maintenance and long-term use
• Package comes with specific left and right knee pad
