Description

The Advantage is a lightweight version of the Super Deluxe. Extruded 7000 series aluminum is light weight and strong making this plate a great alternative to the standard Super deluxe. Precision CNC machining, forged trucks for superior strength, steel king pin and steel 7mm axles. Rubber cushions offer superior feel feedback, and adjustable pivots giving the skater complete control over performance. Includes adjustable rubber toe stops. Every Snyder skate is 100% made in the USA. Fits boot sizes 4-16.
