Description

The **SURE-GRIP BOARDWALK Lavender Outdoor Skate** is a great entry level to intermediate level roller skate in a traditional retro hightop with high heel, similar to what you are used to skating with rink rental roller skates, available in four great vibrant colors! The Sure-Grip BOARDWALK features a durable suede leather outer with soft padded interior and super strong nylon plate, stitched sole, metal trucks, ABEC 3 bearings, and Sure-Grip Outdoor BoardWalk wheels in 82A a nice outdoor durometer wheel which provides good grip and more roll than 78A, with a comfortable ride! A fantastic beginner quad skate for anyone trying to learn rollerskating, or someone just coming back to the sport, without a big pricetag! Fits more feet with a wider toe box than some of the older traditional hightops that were very narrow at the front. Add one or two back brakes if you skate on trails with hills involved or want to stop quickly. *...Don't forget to order safety equipment too!*
