Description

**Rock GT-50 – Great entry level complete skate package for Fresh Meat Derby, Recreation, Jam or Speed!**

The Rock GT-50 made by Sure-Grip is a great starter package featuring a super comfortable synthetic black boot, with stitched sole that fits a bit wider to accommodate almost every foot! The ROCK Nylon plate is a superior plate chasis than most others in the entry level category! Comes standard with GT-50 black/white swirl indoor rink wheels 95A, ABEC -5 bearings, and Carrera 5/8" speed toe stop. Available in Men's sizes 4-15. Ladies sizes usually go down one size (ie. Mens 7 = Ladies 8). AND email in your foot measurements [according to this sizing](#) so we can check and make you get the right size for your feet!

- *For Mens 12-14 you can choose the Rebel leather boot + Competitor Aluminum plate upgrade for \$130!*
- ***Order a set of Outdoor wheels at the same time (with FREE bearing installation!) for Outdoor Skating!***
- *OR substitute the standard indoor wheels for Outdoor wheels!*
- *Ask about Other UPGRADE & SUBSTITUTION Options; Plates, Wheels and Bearings.*
